

813 Ligonier Street
Latrobe, PA 15650
(724) 537-2638

Dear Applicant:

Enclosed you will find the forms necessary to begin your application procedure. There is a \$65.00 non-refundable application fee. Please make your check payable to Westmoreland Hospital and submit it with your application form. On the Memo portion of the check please write Excelsa Health School of Anesthesia.

We are now accepting applications for the class beginning in August, 2011. All information requested must be received, and your file must be complete, by December 15th of the year prior to the class for which you are applying. Early submission of applications is strongly recommended to avoid delays in receiving all required documents by the December 15th deadline. Please be informed that if your file is not complete by the above date, you will not be eligible for an interview. It is the applicant's responsibility to confirm status of their application file.

Please read the program brochure carefully, including the minimum requirements for acceptance. Interviews will begin in the fall and if you meet the prerequisites, you will be contacted to schedule an interview.

The field of anesthesia is both rewarding and challenging and I welcome your interest in the school. If you have any further questions, feel free to contact me at (724) 724-537-3879.

Sincerely,

Dan Stairs
