FOR IMMEDIATE RELEASE

**PHYSICIANS CREDENTIALLED IN WOUND CARE,
HYPERBARIC THERAPY AT EXCELA HEALTH**

GREENSBURG, PA, July 5, 2010... Several physician specialists on staff at Excela Health are newly trained in hyperbaric oxygen therapy. This designation augments their credentialing in wound care.

Staffing Excela's Advanced Wound Care clinic are vascular surgeons David Kenney, MD and John Ambrosino, MD; general surgeons George Austin, MD, William Newman, MD and Alessia Tandin, MD; internal medicine physician Scott Jacobson, DO and podiatrists Allen A. Dzambo, DPM and James Montgomery, DPM.

All attended education sanctioned by the Underseas and Hyperbaric Medical Society in anticipation of the introduction of hyperbaric oxygen therapy to the wound care treatment modalities available at Excela Health. This training is in addition to specialty certification in their individual areas of expertise.

To learn more about Excela's Advanced Wound Care, call 724-830-8527, or visit www.excelahealth.org. Physician and self-referrals accepted.
