

# FOR THE SAFETY OF OUR PATIENTS AND STAFF.

Masks are required to be worn by all visitors and patient-support partners. If you are a member of a vulnerable population (one who is immunocompromised **OR** because you are unable to wear a mask due to a medical condition), you should **NOT** enter.

We are sorry if this determination results in difficulties for our patients or their support persons, but we are committed to ensuring the safety of **ALL** individuals in our facilities. If you are **NOT** wearing a mask, you will be asked to leave the premises. We will involve security and/or local law enforcement if necessary.

Thank you in advance for respecting this requirement.
