ATTENTION: NEW INFORMATION

In response to the coronavirus pandemic and to protect patients, staff, and the Excela Health community, **no visitors** are permitted in the inpatient, outpatient, or emergency department areas at Excela Health.

**IMPORTANT EXCEPTIONS:**

- One visitor will be permitted in the following situations:
  - Patients under the age of 18
  - Persons with disability or other impairment
  - Labor and Delivery (individual should be prepared to stay for the duration of episode of care)

- Special considerations will be made for:
  - Emergency care
  - End-of-life care

We will be screening all those who enter the facility. Your temperature will be taken, and you will be asked a series of questions prior to entering the building.

If you feel ill, please do not enter the building and contact your physician for further direction unless you are seeking emergency care.
